MULTICLIMATE AIRSPEAKERS

## Aguaceiro™

The Aguaceiro™ MultiClimate Airspeaker is more than water resistant—it's weatherproof in any environment! The blistering heat of the Arizona desert, a frigid outdoor terrace at a Swiss ski resort, seaspray at a beachfront condo in the Mediterranean, drenching rain in any region, your backyard—you name it, the Aguaceiro™ can handle anything that comes its way.

Experience superb sound in your outdoor living area with the Aguaceiro™ MultiClimate Airspeaker. The Aguaceiro™ is the most durable outdoor speaker available today, and it is designed to blend in to its surroundings. Clark Synthesis is so sure of the performance of the new Aguaceiro™, it comes with a limited lifetime warranty. This hardy all weather speaker comes ready to install with a weatherproof screen and mounting bracket.

*Why buy an outdoor speaker you'll have to replace in a few years when you can enjoy the Aguaceiro™ for life?*

*\*The Aguaceiro™ comes with 4 ft. of weatherproof cable and is preassembled with protective screen and mounting bracket.*
