

Aquasonic®

MULTICLIMATE AIRSPEAKERS

Aguaceiro™

Your Outdoor Living Area Deserves Extraordinary Sound!

Choosing the Aguaceiro™ for Your Home or Property

- Engineered to perform in heat, cold, rain and salt spray environments
- Blends into your surrounding landscape and decor with ease
- Can be hidden in your garden, mounted to your deck, attached to your home, placed in trees, etc.
- Protective screen and mounting bracket come preassembled for your convenience
- Limited lifetime warranty
- The perfect complement to the Torden™ MultiClimate Subwoofer
- Quality manufacturing by Clark Synthesis, Inc., the worldwide leader in total immersion sound technology since 1994

Why buy an outdoor speaker you must eventually replace, when you can buy an Aguaceiro™ MultiClimate Airspeaker with a lifetime warranty?!

Ask your dealer about pairing our new Torden™ Subwoofer with your Aguaceiro™ in your outdoor living area today!
